

Registration Deadlines and Waiting List

At Khalsa School Calgary students, staff, parents and the community are proud to be one team, with one vision – to build and sustain a culture of excellence in all aspects of our educational enterprise. We are a Sikh Faith based school that embraces and enhances Punjabi, Gurmat, Keertan, Character and Leadership Development and the core values of Sikhism while teaching the Alberta Curriculum. If you want your children to preserve their past while preparing for their future, join our Khalsa School Family today!

Pre-Registration

Parents interested in enrolling their child at Khalsa School Calgary must complete a Pre-Registration Form. Submission of a pre-registration form does not guarantee admission, as placement is subject to space availability.

Returning Students

Families of current students must indicate whether their child will be returning for the upcoming school year during the mid-February re-registration period. Once re-registration is complete and the number of returning students is confirmed, available seats are determined.

Siblings and Staff Priority

Admissions are then processed based on space availability. Priority consideration is given to siblings of current students and children of staff members; however, this priority does not guarantee placement. Siblings and staff applicants are also placed on a waitlist, with priority determined by the date and time the pre-registration form is submitted. Seats are offered only if space becomes available.

General Public

If additional seats remain, they are offered to applicants from the general public based on the date and time the pre-registration form is received.

Assessments and Seat Offers

Applicants are required to participate in admissions assessments. A minimum passing mark of 60% is required. We also consider how students take direction, interact, and engage during the assessment to better understand and support their learning needs. There is a non-refundable assessment fee of \$25. Once assessments are completed and all available seats have been offered, the school will no longer continue down the waitlist. Families will be notified when the registration process is complete and no further seats are available.

Kindergarten Admissions

Parents interested in enrolling their child in Kindergarten must also complete a Pre-Registration Form. Children must meet Alberta Education age requirements. Sibling and staff applicants are given priority consideration; however, all placements are subject to space availability and assessment outcomes. Remaining seats are offered based on the date and time the pre-registration form is submitted.

Waitlist Procedure

Khalsa School Calgary maintains class size limits at each grade level. When classes are full, applicants may be placed on a waitlist. All waitlists operate on a first-come, first-served basis according to the date and time the pre-registration form is received. Waitlists do not carry forward to the following school year. Families must submit a new Pre-Registration Form each year if they wish to be considered.
